Pakistan Qualification Register

The Pakistan Qualification Register (PQR) is an official database maintained by the Higher Education Commission (HEC) of Pakistan. It serves as a comprehensive record of academic qualifications issued by recognized educational institutions in Pakistan. The primary aim of the PQR is to ensure the credibility and standardization of qualifications by providing verification and validation services.

Pakistan Qualification Register have four tiers of information

- University/Institution **(A&A Division)**
- Campus/College **(A&A Division)**
- Department/Division **(QAD)**
- Degree Program **(QAD)**

Information on initial three information are recorded in IPFU portal whereas after approval of all three entries the Degree program will be entered in PQR portal.

1.1 Accessing the Portal

- Open the link in web browser preferably Firefox.
- In the address bar, type the URL of the portal <https://eportal.hec.gov.pk> for using PQR for personal use <https://eservices.hec.gov.pk/#/auth/login>
- Press Enter to load the page.
