The above Assessment team in this meeting identified the following Strength and Weaknesses after evaluating of SAR and its concern procedure.

STRENGTH:

1. The curriculum fulfills all basic requirements of program's objective.
2. Course curricular designed as per HEC guideline.
3. Guest Speaker Secession are also organizing each semester subject wise.
4. Department has adequate research facility promoting publishing of research papers.
5. Faculty members and students are properly facilitated with necessities i.e. internet, local and international research journals and others.
6. Teacher are involved in research activates which reflecting their teaching.

WEAKNESSES:

- 1- Addition in Professional Trainings program for faculty would strengthen teaching abilities and methodologies.
- 2- Department need to get more addition of latest books for library to strengthen learning process.
- 3- Specialization in more disciplines can be offered.
- 4- Addition of more Ph.D. permanent faculty member.
- 5- Quality student's intakes need to be increase.
